MAHALINGPUR

DEPARTMENT OF

BCA

Computer Applications Technology

Problem Solving

The Department of Computer Applications at KLE Society's College, Mahalingpur provides an academic foundation in computing, problem-solving and emerging technologies. Established in 2022, the department combines classroom learning with practical exposure and skill development to prepare students for the evolving digital world.

TECHNICAL FOUNDATIONS

Hands-on projects, coding exercises, workshops and programming, analytical thinking, digital systems and the fundamentals of computing.

APPLIED LEARNING

Hands-on projects, coding exercises, workshops and practical exposure to real-world technologies.

INNOVATION & GROWTH

Exploring modern technologies, creativity and building confidence and competencies for further industry-relevant skills.

CAREER READINESS

Guidance for study and professional growth, developing skilled, confident and responsible digital professionals.

LEARN | **BUILD** | **EXPLORE**

Developing skilled, confident and responsible digital professionals.

KLE SOCIETY'S

MAHALINGPUR

DEPARTMENT OF

BBA

Business Administration • Leadership • Enterprise

The Bachelor of Business Administration (BBA) programme supports students in developing the knowledge, communication skills and decision-making confidence needed in a dynamic business environment.

Its learning approach connects business fundamentals with leadership, teamwork, responsible practice and an entrepreneurial outlook.

LEADERSHIP

Collaboration, initiative and responsible decision-making.

BUSINESS THINKING

Understanding management, markets and strategy.

COMMUNICATION

Building confidence in presentation, negotiation and teamwork.

CREATIVITY

Entrepreneurial ideas, innovation and practical problem solving.

THINK STRATEGICALLY • LEAD RESPONSIBLY • CREATE VALUE

Inspiring the next generation of thoughtful business professionals.

01
